Presents a thematically indexed bibliography devoted to Afghanistan. Following the pattern established by one of its major data sources, viz, the acclaimed Index Islamicus, both journal articles and book publications are included and indexed.

The book explores the historical development and status of political and economic institutions in The Caribbean. The Caribbean institutional reality is studied vis-à-vis best international practices. The main objective is identifying positive aspects and institutional areas in need of improvement that could facilitate a sustainable development path in The Caribbean.

Social Democracy has long been prominent in Nordic politics through the dominant parties and ideological hegemony of the centre-left. This book explores the growth of social democracy and the policy dilemmas that social democrats face today. It breaks new ground by relating recent literature on social democracy in Europe to Scandinavia.

The extractive industries (EI) sector occupies an outsize space in the economies of many developing countries. Policy makers, economists, and public finance professionals working in such countries are frequently confronted with issues that require an in-depth understanding of the sector, its economics, governance, and policy challenges

“The present study goes beyond reporting on a single year's production and value. It examines Afghanistan's opium economy in order to understand its dynamics, the reasons for its success, its beneficiaries and victims, and the problems it has caused domestically and abroad.”-- Executive summary.

Die Georgische Sprache is a systematic description of the structure of the Georgian language. With an in-depth contextualising introduction, as well as a description of the changes from Old to New Georgian.

An updated edition of this best-selling introduction to the conflict. With coverage of all the recent events, the new edition of this best-selling book gives a thorough and accessible account of the history behind the Palestine-Israeli conflict, its roots, and the possibilities for the future. New material outlines recent developments, while an updated conclusion consists of a direct debate between the two authors, which raises many issues, yet offers real solutions to which future peace talks may aspire.
