A fresh exploration of American feminist history told through the lens of the beauty pageant world. Many predicted that pageants would disappear by the 21st century. Yet they are thriving. America's most enduring contest, Miss America, celebrates its 100th anniversary in 2020. Why do they persist? In *Here She Is*, Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition. She traces the role of pageants in many of the feminist movement's signature achievements, including bringing women into the public sphere, helping them become leaders in business and politics, providing increased educational opportunities, and giving them a voice in the age of #MeToo. Using her unique perspective as a NOW state president, daughter to Miss America 1970, sometimes pageant judge, and scholar, Friedman explores how pageants became so deeply embedded in American life from their origins as a P.T. Barnum spectacle at the birth of the suffrage movement, through Miss Universe's bathing beauties to the talent- and achievement-based competitions of today. She looks at how pageantry has morphed into culture everywhere from *The Bachelor* and RuPaul's *Drag Race* to cheer and specialized contests like those for children, Indigenous women, and contestants with disabilities. Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies, including Miss America's ableist and racist history, Trump's ownership of the Miss Universe Organization, and the death of child pageant-winner Jon Benét Ramsey.

This is an intriguing and original examination of how issues of sex, race and nationalism get played out in US beauty pageants, and how pageants have tried to respond to large social and political change. She takes issue with those in Naomi Wolff's camp, as well as with conservatives.

What happens when an unpolished Southern child beauty pageant star moves to a posh Seattle suburb? In *Poor Taste* attempts to answer this question, in a similar vein to *Valley of the Dolls*.

From an author praised for writing “delicious social history” (Dwight Garner, *The New York Times*) comes a lively account of memorable Miss America contestants, protests, and scandals—and how the pageant, nearing its one hundredth anniversary, serves as an unintended indicator of feminist progress Looking for Miss America is a fast-paced narrative history of a curious and contradictory institution. From its start in 1921 as an Atlantic City tourist draw to its current incarnation as a scholarship competition, the pageant has indexed women's status during periods of social change—the post-suffrage 1920s, the Eisenhower 1950s, the #MeToo era. This ever-changing institution has been shaped by war, evangelism, the rise of television and reality TV, and, significantly, by contestants who confounded expectations. Spotlighting individuals, from Yolande Betbeze, whose refusal to pose in swimsuits led an angry sponsor to launch the rival Miss USA contest, to the first black winner, Vanessa Williams, who received death threats and was protected by sharpshooters in her hometown parade, Margot Mifflin shows how women made hard bargains even as they used the pageant for economic advancement. The pageant's history includes, crucially, those it excluded; the notorious Rule Seven, which required contestants to be “of the white race,” was retired in the 1950s, but no women of color were crowned until the 1980s. In rigorously researched, vibrant chapters that unpack each decade of the pageant, *Looking for Miss America* examines the heady blend of capitalism, patriotism, class anxiety, and cultural mythology that has fueled this American ritual.

How do Asian cultures construct queer genders, sexualities, and eroticism? *Gay and Lesbian Asia* demonstrates the astonishing diversity of gay, lesbian, bisexual, and transgendered identities in countries including Korea, Thailand, Malaysia, China, India, Indonesia, Singapore, and the Philippines. Although many Asian cultures borrow the language of the West when discussing queerness, the attitudes, relationships, and roles described are quite different. *Gay and Lesbian Asia* discusses cultural issues as well as the unique political position of gays in Asian societies. For example, the Thai concept of phet--eroticized gender--is quite different from the Western view that classifies people by the sex of the partners they desire, not by their level of masculine or feminine traits. Similarly, some gay and lesbian Chinese people “come home” rather than “come out.” By bringing their partners into the extended family, they can maintain the filial relationships that define them while being able to love whom they choose. The essays in *Gay and Lesbian Asia* cover a broad range of approaches

and subjects: globalization theory exploring the political and cultural ramifications of the Western gay identity movement Foucauldian discourse on sexuality and sharply distinct erotic cultures political and cultural analyses of gay and lesbian comradeship and filial relationships in Chinese societies research on the “ T ” and “ po ” lesbians (similar to butch and femme) in Malaysian bars the formation of gay cybercommunities in Asia the effects of class distinctions on Jakarta lesbians studies of local historical forms of homoeroticism and transgenderism Gay and Lesbian Asia continues Haworth's landmark series of books on gay and lesbian issues in Asia and Australia. Along with Tongzhi: Politics of Same-Sex Eroticism in Chinese Societies; Queer Asian Cinema; Multicultural Queer: Australian Narratives; Gays and Lesbians in Asia and the Pacific; and Lady Boys, Tom Boys, Rent Boys: Male and Female Homosexualities in Contemporary Thailand, this book presents some of the most original, powerful current thought available on cultural, political, sexual, and gender issues for queer subcultures within Asian cultures.
