DAT Biology prep best seller!
Guaranteed higher score or your money back! We've helped thousands of students improve their DAT scores
This DAT Biology prep book contains 1,500 Biology practice questions with detailed explanations that will help

Read Online Biology Pre Test And Answer Key

you to: - master important biology concepts - assess your knowledge of different Biology topics - improve your test-taking skills - prepare for the Biology portion of the DAT comprehensively and cost effectively

DAT Biology 1,500 Practice Questions by Sterling Test Prep is comprised of all Biology topics tested on the DAT. Scoring well on the DAT is important for admission into dental school. To achieve a high score, you need to develop skills to properly apply the knowledge you have and quickly choose the correct answer. You must solve numerous practice questions that represent the style and content of the DAT questions. Understanding key science concepts is more valuable than memorizing terms. The explanations discuss why the answer is correct and – more importantly –

Read Online Biology Pre Test And Answer Key

why another answer that may have seemed correct is the wrong choice. These explanations include the foundations and details of important science topics needed to answer related questions on the DAT Biology section. By reading these explanations carefully and understanding how they apply to solving the question, you will learn important biology concepts and the relationships between them. This will prepare you for the test and will significantly improve your score. All the questions are prepared by our science editors that possess extensive credentials, are educated in top colleges and universities. Our editors are experts on teaching sciences, preparing students for standardized science tests and have coached thousands of graduate school
