A gorgeously nostalgic saga from the SUNDAY TIMES bestselling author of THE SEVEN STREETS OF LIVERPOOL. It's 1925 and Patricia, Tara and Aideen couldn't be more excited about leaving Dublin with their father and heading for a new life in Liverpool. Yet it soon becomes clear that all is not as it seems, for the day after they arrive in England, Bernie hastily sweeps the girls onto a huge ocean liner heading to New York, leaving no forwarding address. When their father vanishes midway across the Atlantic, the grieving sisters prepare themselves for a new life in the big city, far from home, friends and family. For whatever their father was running from has every chance of catching up with the girls,

securities products Derivatives Essentials is an accessible, yet detailed guide to derivative securities. With an emphasis on mechanisms over formulas, this book promotes a greater understanding of the topic in a straightforward manner, using plain-English explanations. Mathematics are included, but the focus is on comprehension and the issues that matter most to practitioners—including the rights and obligations, terms and conventions, opportunities and exposures, trading, motivation, sensitivities, pricing, and valuation of each product. Coverage includes forwards, futures, options, swaps, and related products and trading strategies, with practical examples that demonstrate each concept in action. The companion website provides Excel files that illustrate pricing, valuation, sensitivities, and
