like a woman. But her fears limit her to Doms who won't overwhelm her--the very ones who cannot arouse her. The Master of the Shadowlands gives her an ultimatum: accept the Dom he assigns or lose her membership. The last thing Beth wants is a ruthless, powerful Dom, but that's just what she gets. Asked to take on a problem sub, Nolan sees the issue immediately--although truly submissive, the little redhead is too scared to relinquish control and her Doms have let her get away with it. That will change right now. As Master Nolan takes Beth under command, compelling her submission, she's terrified, but the experienced Dom brings her pleasure, not pain. His only demand is that she never lie to him. Under his capable hands, her body comes alive, and she begins to heal. As he pushes her limits, she learns to trust...and then to love. And she realizes he is

Club Shadowlands Blundering into a BDSM club, accountant Jessica attracts the owner's attention. When Master Z discovers her interest in BDSM, he can't resist tying her up and unleashing the passion she hides within. Dark Citadel After Kari breaks up with her date during Beginner's Night at Club Shadowlands, she's given the option to continue with an experienced dominant. Under Master Dan's guidance, she learns the true meaning of submission... can she teach him to love? Her car disabled during a tropical storm, Jessica Randall discovers the isolated house where she's sheltering is a private bondage club. At first shocked, she soon becomes aroused watching the interactions between the Doms and their subs. But she's a professional woman—an accountant—and surely isn't a submissive . . . is she? Master Z hasn't been so attracted to a woman in years. But the little sub who has wandered into his club intrigues him. She's intelligent. Reserved. Conservative. After he discovers her interest in BDSM, he can't resist tying her up and unleashing the passion she hides within.

“I loved this book! Wait. Let me say this again. I LOVED this book!” ~ Fallen Angels Reviews

BOOK DESCRIPTION:
Her job is to make his life miserable. His job is to make her submit. Whose heart will surrender first? Across the country, rebellious BDSM submissives are being systematically kidnapped, one from each club. When her friend falls prey to the slavers, FBI victim specialist Gabrielle volunteers to be bait in a club not yet hit: the Shadowlands. She finds that being a bratty sub comes naturally, especially when she gets to twit the appallingly conservative Master of the trainees. But she soon discovers he’s not as stuffy as she’d thought. Or as mean. She’d

expected punishment, even humiliation, but she sure never expected to fall in love with a damned lawyer. Courtesy of a prima donna ex-wife, Marcus loathes disobedient submissives. When the club owner insists he admit an incredibly bratty trainee, he's furious. But as he comes to know Gabrielle and sees the alluring sweetness beneath the sass, he starts to fall for her. Unfortunately, Marcus isn't the only one who believes the feisty redhead is a prize worth capturing. And in the world of the slaver, such treasure is worth a hefty fee. Book I of II. The Hollywood scene always fit Tennyson Wright like a too-tight sweater. A highly respected director, he has managed to avoid the games and power plays of Tinseltown. Until now. To gain more publicity for the film he's shooting, the studio has decided a PR relationship is in order, and soon Tennyson finds himself pushed into the spotlight with one of the actresses on set. Rich, spoiled, much younger, party princess Sophie Pierce. Sophie, famous for being infamous, got her part in the film due to her daddy, the studio chairman. But there's more to her than wild nights and drunken tabloid photos, and she's aching to prove it. Under Tennyson's protective wing, she begins to navigate the uncharted territory of responsible adulthood and takes the first steps toward a legitimate, lasting fame based on her talent, not her reputation. But in order for Sophie to truly

In a future world, only one man dares to think, strive, and love as an individual in the midst of a paralyzing collective humanity.

Americans are buying ammunition for their enemies every time they buy gas. Energy security is the way out of this dilemma and Dr. Zubrin has a plan to achieve it.- Clifford D. May, Syndicated Columnist; President, Foundation for the Defense of Democracies Robert Zubrin pulls no punches and moves effortlessly from a fascinating oil-centered take on WW II to making the mathematics of oil alternatives intelligible to lay readers. Oil and hydrogen take huge hits and alcohol fuels win big. Don't miss this one.- James

Woolsey, former Director, Central Intelligence Agency To win the war on terror, we need to remove the yoke of our oil dependence and cut the flow of petrodollars to regimes that spread radical Islam. Energy Victory is a bold, yet realistic plan to do just that. It is a vitally important book about the most critical issue we face today.- Dr. Gal Luft, Executive Director, Institute for the Analysis of Global Security In Energy Victory, Zubrin supplies a forceful plan to finally break oil's global stranglehold and seriously address world development. This is something we've really needed for some time. Washington should sit up and take notice.- James P. Clark, Chairman, World Technology Network In this compelling argument for a new direction in US energy policy, world-renowned engineer and best-selling author Robert Zubrin lays out a bold plan for breaking the economic

stranglehold that the OPEC oil cartel has on our country and the world. Zubrin presents persuasive evidence that our decades-long relationship with OPEC has resulted in the looting of our economy, the corruption of our political system, and now the funding and protection of terrorist regimes and movements that are committed to our destruction. Debunking the false solutions and myths that have deterred us from taking necessary action, Zubrin exposes the fakery that has allowed many politicians-including current US president George W. Bush-to posture that they are acting to resolve this problem while actually doing nothing significant toward that goal. Zubrin's plan is straightforward and practical. He argues that if Congress passed a law requiring that all new cars sold in the USA be flex-fueled-that is, able to run on any combination of gasoline or alcohol fuels-

Online Library Breaking Free Masters Of The

this one action would destroy the monopoly that the oil cartel has maintained on the globe's transportation fuel supply, opening it up to competition from alcohol fuels produced by farmers worldwide. According to Zubrin's estimates, within three years of enactment, such a regulation would put 50 million cars on the road in the USA capable of running on high-alcohol fuels, and at least an equal number overseas. He further advocates tariff policies favoring alcohol over petroleum imports. Energy Victory shows how we could be using fuel dollars that are now being sent to countries with ties to terrorism to help farmers here and abroad, boosting our own economy and funding world development. Furthermore, by switching to alcohol fuels, which pollute less than gasoline and are made from plants that draw carbon dioxide from the air, this plan will facilitate the

worldwide economic growth required to eliminate global poverty without the fear of greenhouse warming. Energy Victory offers an exciting vision for a dynamic, new energy policy, which will not only go a long way toward safeguarding homeland security in the future but will also provide solutions for global warming and Third World development. FURTHER PRAISE FOR ENERGY VICTORY: Energy Victory is the first book I have ever read that actually lays out a credible plan to turn around the world energy situation.... Energy Victory is a knock out. It should be read by everyone concerned with policy in this vital area, and its central recommendation implemented as rapidly as feasible.- Energy Daily Americans are finally becoming aware that energy isn't just an economic or environmental issue; it's a grave national security issue. Determined to find the human traffickers preying on Shadowlands' submissives, Master Raoul gets himself invited to a small slave auction. Once informed, the FBI orders him to reject the limited choices so the slavers will invite him to the big auction. To Raoul's shock, one of the slaves is the kidnapped friend of a Shadowlands sub. She has a scarred body...and an unbroken spirit. He can't leave her behind. Ruining the FBI's carefully laid plans, he buys her. Kimberly's freedom has come at a devastating price: the other women are still slaves. An FBI raid is their only hope for rescue. Desperate to help the Feds locate the big auction, she agrees to pose as Master Raoul's slave.
