Cloud 9 is a two-act play written by British playwright Caryl Churchill. It was workshopped with the Joint Stock Theatre Company in late 1978 and premiered at Dartington College of Arts, Devon, on 14 February 1979. The two acts of the play form a contrapuntal structure. Act I is set in British colonial Africa in the Victorian era, and Act II is set in a London park in 1979. However, between the acts only twenty-five years pass for the characters. Each actor plays one role in Act I and a differen

Glass. Kill. Bluebeard. Imp review: Caryl Churchill ...

Caryl Churchill has been one of the major influences on theatre over the last 40 years, not just in this country but across the world. --Stephen Daldry
Caryl Churchill touches something very deep in peoples sense of who they are; a poetic truth which is also an emotional truth which is also a political truth. --David Lan.

A remarkable new play by one of England's most astonishing playwrights.
The plays in this volume represent the best of Churchill's writing up to and including her emergence onto the international theatre scene with "Cloud Nine." The volume also contains a new introduction by the author as well as short prefaces to each play.

The Theatre of Caryl Churchill documents and analyses the major plays and productions of one of Britain's greatest and most innovative playwrights. Drawing on hundreds of never-before-seen archival sources from the US and the UK, it provides an essential guide to Churchill's groundbreaking work for students and theatregoers. Each chapter illuminates connections across plays and explores major scripts alongside unpublished and unfinished projects. Each considers the rehearsal room, the stage, and the printed text. Each demonstrates how Churchill has pushed the boundaries of dramatic aesthetics while posing urgent political and theoretical questions. But since each maps Churchill's work in a different way, each deploys a different reading practice - for many approaches are necessary to characterise such a restlessly imaginative and prolific career. Through its five interlocking parts, The Theatre of Caryl Churchill tells a story about the playwright, her work, and its place in contemporary drama.

In this collection of plays from one of our finest dramatists, Caryl Churchill demonstrates her remarkable ability to find new forms to express profound truths about the world we live in. Complete with a new introduction by the author, this volume contains: Seven Jewish Children (Royal Court Theatre, London, 2009): a short play about seven families wondering how to protect their children, written at the time of the bombing of Gaza by Israel in 2008-9. Love and Information (Royal Court, 2012): a fast-moving kalesidoscope in which more than a hundred characters try to make sense of what they know. Ding Dong the Wicked (Royal Court, 2012): two families on opposite sides of a war, locked in identical hatred. Here We Go (National Theatre, 2015): a play about dying and being dead. Escaped Alone (Royal Court, 2016): three old friends and an unexpected neighbour have tea in a sunny back yard, and face catastrophes. Pigs and Dogs (Royal Court, 2016): a look at how colonialism crushed the fluidity of sexuality in Africa and brought a new intolerance, as shown in the Ugandan Anti-Homosexuality Act of 2014. Also included are three previously unpublished short plays, each written in response to political events: War and Peace Gaza Piece (2014), Tickets are Now On Sale (2015) and Beautiful Eyes (2017). 'The wit, invention and structural ingenuity of Churchill's work are remarkable... she never does anything twice' Telegraph 'What is extraordinary about Churchill is her capacity as a dramatist to go on reinventing the wheel' Guardian

The volume traces the scope and development of Caryl Churchill's theatre from her early writing for radio and television, through her stage career of the 1970s and 1980s to her recent major success Far Away (2000). Making use of contemporary critical and feminist theory, the study offers close dramatic and theatrical readings of the plays highlighting Churchill's concerns with feminism, socialism and theatrical style. A key chapter on 'The Woman Writer' examines those plays, including Cloud Nine and Top Girls, which brought Churchill to the attention of the international feminist theatre academy, and links Churchill's emergent feminism to her personal struggle to combine a career in the theatre with motherhood. Detailing the international success of play such as Serious Money and Mad Forest, alongside some of the lesser known and lesser studied earlier work, this accessible account illustrates how Churchill has come to be recognised as one of the leading playwrights of our contemporary theatre.

In a broken world, two girls meet an extraordinary creature. The Skriker is a shapeshifter and death portent. She can be an old woman, a child, a young man. She is a faerie come from the Underworld to pursue and entrap them, through time and space, through this world and her own. The Skriker was originally produced at the National Theatre, London, in 1994. It was revived at the Royal Exchange Theatre, Manchester, in 2015, as part of the Manchester International Festival, starring Maxine Peake, directed by Sarah Frankcom and featuring specially commissioned music by Nico Muhly and Antony of Antony and the Johnsons. The Skriker is also available in the volume Caryl Churchill Plays: Three.

One of Europe's greatest playwrights, Caryl Churchill has been internationally celebrated for four decades. She has exploded the narrow definitions of political theatre to write consistently hard-edged and innovative work. Always unpredictable in her stage experiments, her plays have stretched the relationships between form and content, actor and spectator to their limits. This new critical introduction to Churchill examines her political agendas, her collaborations with other practitioners, and looks at specific production histories of her plays. Churchill's work continues to have profound resonances with her audiences and this book explores her preoccupation with representing such phenomena as capitalism, genocide, environmental issues, identity, psychiatry and mental illness, parenting, violence and terrorism. It includes new interviews with actors and directors of her work, and gathers together source material from her wide-ranging career.

Presents new scholarship on the innovative playwright Caryl Churchill, discussing her major plays alongside topics including sexual politics and terror.

Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, Top Girls has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. A well as the complete text of the play itself, this volume contains:
· A chronology of the play and the playwright's life and work
· an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created
· a succinct overview of the creation processes followed and subsequent performance history of the piece
· an analysis of, and commentary on, some of the major themes and specific issues addressed by the text
· a bibliography of suggested primary and secondary materials for further study.

"A breathless, exhilarating crash course in the low morality of high finance" (Independent)
Serious Money is perhaps Caryl Churchill's most notorious play. A satirical study of the effects of the Big Bang, it premiered at the Royal Court in 1987 and transferred to the West End. Since then, it has prompted city financiers the world over to applaud and decry its presentation of their lives. British Telecom refused to provide telephones for the Wyndham's production, writing to say that "This is a production with which no public company would wish to be associated".
