The true story behind the Martin Scorsese film: A “ riveting . . . account of how organized crime looted the casinos they controlled ” (Kirkus Reviews). Focusing on Chicago bookie Frank “ Lefty ” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times – bestselling author of the Mafia classic Wiseguy—basis for the film Goodfellas—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “ Hole in the Wall Gang. ” For years, these gangsters kept a stranglehold on Sin City ’ s brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal ’ s disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner ’ s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia ’ s longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this “ fascinating true-crime Mob history ” is a high-stakes page-turner (Booklist).

Traces the alliance of Lefty Rosenthal and Tony Spilotro, who ran the Mafia in Las Vegas and whose partnership ended in adultery, murder, and revenge.

The Stardust... The Fremont... The Marina. They ran them all. And they lost. Big time. No one knew more about casinos than Frank 'Lefty' Rosenthal, the gambling mastermind who, along with his best friend and partner, Anthony 'the Ant' Spilotro, virtually ran Las Vegas for the mob. For years it was the perfect arrangement – Lefty provided the smarts, while Tony kept the bosses happy with weekly suitcases filled with millions in skimmed cash. It should have lasted forever but Lefty ’ s obsessions with running the town – and Tony ’ s obsession with Lefty ’ s beautiful showgirl wife, Geri – eventually led to betrayals and investigations that exploded into one of the greatest scandals in mob history. Casino is the shattering inside account of how the mob finally lost its stranglehold on Las Vegas, the neon money-making machine it had created.

Picking up where "Wiseguy" leaves off, this book takes readers on the crazy ride of Hills life--hiding out in the Witness Protection Program, testifying in high-profile mafia trials, and eventually ending up in the entertainment business.

From the 1970s through the mid-1980s, the Chicago Outfit dominated organized crime in Las Vegas. To ensure the smooth flow of cash, the gangsters installed a front man with no criminal background, Allen R. Glick, as the casino owner of record, Frank “ Lefty ” Rosenthal as the real boss of casino operations, and Tony Spilotro as the ultimate enforcer, who ’ d do whatever it took to protect their interests. It wasn ’ t long before Spilotro, also in charge of Vegas street crime, was known as the “ King of the Strip. ” Federal and local law enforcement, recognizing the need to rid the casinos of the mob and shut down Spilotro ’ s rackets, declared war on organized crime. The Battle for Las Vegas relates the story of the fight between the tough guys on both sides, told in large part by the agents and

detectives who knew they had to win.

Recounts the life and criminal career of Frank Cullotta who became an FBI informant and entered the Witness Protection Program.

Former Chicago police officer and mafia associate Fred Pascente is the man who links Tony Spilotro, a central character in Nicholas Pileggi's *Casino* and one of Chicago's most notorious mob figures, to William Hanhardt, chief of detectives of the Chicago Police Department. Pascente and Spilotro grew up together on Chicago's Near West Side, and as young toughs they were roused and shaken down by Hanhardt. While Spilotro became one of the youngest made men in Chicago Outfit history, Pascente was drafted into the army and then joined the police department. Soon taken under Hanhardt's wing, Pascente served as Hanhardt's fixer and bagman on the department for more than a decade. At the same time, Pascente remained close to Spilotro, making frequent trips to Las Vegas to party with his old friend while helping to rob the casinos blind. *Mob Cop* tells about the decline of traditional organized crime in the United States, and it reveals information about the inner workings of the Outfit that have never been publicly released. Fred Pascente's positions as an insider on both the criminal and law enforcement fronts make this story a matchless tell-all. Fred Pascente was a Chicago police officer for twenty-six years and a professional thief with close ties to the mafia. He died in 2014. Sam Reaves is the author of ten novels and has served as president of the Midwest chapter of the Mystery Writers of America. He lives in Evanston, Illinois.

'At the age of twelve my ambition was to be a gangster. To me being a wiseguy was better than being president of the United States. To be a wiseguy was to own the world.' *GoodFellas* is Henry Hill's own story, telling the fascinating and sometimes brutal details of the day-to-day life of a working New York mobster - the violence, wild spending sprees, his wife, his mistress, his code of honour. From the small-time scamming of his early years, his first arrest at the age of sixteen and initiation into the dealings of his wiseguy friends and bosses, Henry Hill tells of the good times, dodgy dealings, indulgences, and the insularity of the mob-controlled neighbourhoods. But things start to go too far. To save his own life, Hill turns into a Federal witness, and the mob is to this day still hunting him down for revealing their involvement in hundreds of crimes including arson, extortion, hijacking, the six-million dollar Lufthansa heist (the most successful cash robbery in US history), and murder.

The FBI's most famous mafia fighter recounts the career of Tony "The Ant" Spilotro, a young thug from the streets of Chicago who became the Cosa Nostra's top executioner in Las Vegas. By the author of *War of the Godfathers*. Reprint.
