When the Callahans found Katya they soon discovered that she was the most powerful Time Pilgrim they'd ever employed at their time research facility,

National. However, they soon discover she's plagued with a condition known as temporal amnesia. She can't remember what year she's from and is trying to locate her roots. Because of Katya's time displacement, she's not matured physically beyond the age of twenty, although she's much older. She becomes a sponge in every time period she visits, soaking up the culture and instantly becoming one with the period. Katya and Cyrus—the Callahans' son—develop a love interest along with a powerful time travel partnership. Before Katya came into his life, Cyrus was all business. Katya shows him that time can sometimes be traveled just for the sheer fun of it, while still trying to fight off temporal attacks by Sundial, an adversarial time organization.

The dean of American golf writers pays tribute to the nation's greatest tournament Over the course of his forty-year career at the *New Yorker* and *Sports Illustrated*, Herbert Warren Wind covered the game of golf from many different angles, providing readers with eloquent insights on the iconic courses of Scotland as well as Bing Crosby's lifelong love affair with the sport. But no aspect of golf was closer to Wind's heart, or more intimately associated with his name, than the annual Masters Tournament at Augusta National Golf Course. Recounting Arnold Palmer's victory in 1958, Wind coined the phrase "Amen Corner" to describe the fateful stretch of golf course including the 11th, 12th, and 13th holes. To celebrate the fiftieth anniversary of the first Augusta National Invitation, held in 1934, Wind eloquently recounted a half-century's worth of highlights, from Bobby Jones's original vision of an informal competition between his old friends and the game's rising stars, to Ben Crenshaw's impressive defeat of Tom Watson in the 1984 tournament. Full of the grand traditions—including green jackets, purple azaleas, and white jumpsuits—and dramatic moments that have made the Masters the most entertaining of the four major championships, *America's Gift to Golf* brings the history of this majestic tournament to vivid life and testifies to the enduring legacy of Herbert Warren Wind.

This first assemblage of Lapham's satires presents thirty pieces that hold their currency and humour against the tide of social and political change that has engulfed American society over the last twenty years.

Fifteen-year-old Polarity Weeks just wants to live a normal life, but with a mother diagnosed with borderline personality disorder, that's rarely easy. Her life gets exponentially more disastrous when her sixth-period history classmates start ogling a nude picture of her on the Internet. Polarity would never have struck such a shameless pose, but the photo is definitely of her, and she's at a complete loss to explain its existence. Child Protective Services yanks her from her home, suspecting her parents. The kids at school mock her, assuming she took it herself. And Ethan, the boy she was really starting to like, backpedals and joins the taunting chorus. Surrounded by disbelief and derision on all sides, Polarity desperately seeks the truth among her friends. Only then does she learn that everyone has dark secrets, and no one's life is anywhere near normal.

In a series of essays scrutinizing feminist and post-structuralists positions, Tania Modleski examines "the myth of postfeminism" and its operation in popular culture, especially popular film and cultural studies. (First published in 1991.)

Clear, step-by-step writing instruction, ample annotated student essays, and extensive practice opportunities for writing have made *The Longman Writer* one of the most successful methods-of-development guides for college writing. Created by the authors of the best-selling *Longman Reader*, the text draws on decades of teaching experience to integrate the best of the "product" and "process" approaches to writing. Its particular strengths include an emphasis on the reading-writing connection, a focus on invention and revision, attention to the fact that patterns blend in actual writing, and an abundance of class-

tested activities and assignments – more than 350 in all.
