THE TSUNAMI FACTOR By Joseph Clinard The great tsunami in the Indian Ocean in 2004 was a natural disaster -or might it have been triggered by something else...something of human origin? Now, a group of terrorists have created a way of duplicating such an event in the Atlantic Ocean and only investigator, Jack Reynolds, along with his loyal helper, Danny Lorenzo can prevent it. Or can they? Based in captivating London, Jack goes full circle investigating the conspiracy that could destroy the eastern seaboard of the North American continent, as religious zealots scramble to bring Armageddon to fruition, but with a profit motivation. Mix in murder and the love angle from a sensuous Italian woman and the question becomes can the good guys prevent a catastrophe of unprecedented proportions? Only the reader of this page-turner will know, and then not until the very last page, as author Joseph Clinard comes through with yet another sure-fire hit.

Maximum PC is the magazine that every computer fanatic, PC gamer or content creator must read. Each and every issue is packed with punishing product reviews, insightful and innovative how-to stories and the illuminating technical articles that enthusiasts crave.

One issue each year consists of an annual conference review.

YOU CAN'T MAKE THIS STUFF UP! Here is a hilarious collection that catches real-life knuckleheads in outrageous acts of brazen stupidity, giving new meaning to that famous four-letter word: "DUH"! * The Oregon resident who was waxing his 1984 Pontiac--and somehow managed to shove the antenna up his nose . . . GRANDMOTHER OF EIGHT MAKES HOLE IN ONE * The Atlanta Braves pitcher who was treated for five-inch-long welts after he tried to iron his polo shirt while wearing it . . . MINERS REFUSE TO WORK AFTER DEATH * The inmate at a Chesapeake Correctional Facility who filed a five million dollar lawsuit against himself . . . DRUNK GETS NINE MONTHS IN VIOLIN CASE * The woman who couldn't stand the discomfort of having a callus on her right foot, so she blew off her big toe with a shotgun . . . Radio personality John "Kato" Machay's lively compilation of news stories, headlines, and courtroom gaffes proves hands down that truth is dumber than fiction! REMEMBER: To err may be human, but to laugh out loud is divine.

A practical guide to the maintenance and repair of laptop computers, including three hundred repair cases and thirteen diagnostic flowcharts.

Covers receipts and expenditures of appropriations and other funds.
