More than 50 years after World War II, cadet nurses tell their stories about how they helped win the war on the home front by serving in hospitals during the worst nurse shortage in history. Recalling what it was like to serve their country, these women share touching historical and personal stories about their experiences.

Carbohydrates give the body energy. They are in many foods people eat each day. But some

carbohydrates are healthier than others. Your Body on Carbohydrates uncovers the nutritional benefits of carbohydrates, how they interact with the body, and how to include them as part of a balanced diet. Easy-to-read text, vivid images, and helpful back matter give readers a clear look at this subject. Features include a table of contents, infographics, a glossary, additional resources, and an index. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

Excellent reproduction of rare catalog illustrates and describes 86 different types of houses and bungalows still in evidence across America. Over 300 photographs, illustrations and floor plans with full descriptions comprise an invaluable sourcebook for study, authentication or restoration of antique articles or architecture.

Provides guidance on repairing the ignition, carburetors, fuel systems, rewind starters, electrical systems, and other parts of small gas engines

International Harvester's Farmall tractor revolutionised farming around the world. Introduced in 1922, it was an inexpensive, lightweight, general-purpose, row-crop tractor that could literally farm all. Through the years, the Farmall became one of the world's most popular tractors. This book showcases collectible International Harvester tractors from the 1910s to the 1960s, including the famous Farmall, as well as other International Harvester and McCormick-Deering models. Readers will be captivated by Ralph Sander's detailed history and outstanding colour and black-and-white photographs, historical ads, and brochures of what was the world's best-selling tractor as well as a leader in innovation and engineering.
