A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different--and far more satisfying--than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of Dream Wheels. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother--and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred--the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, Indian Horse is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. "Shocking and alien, valuable and true... A master of empathy."--Jane Smiley, Pulitzer Prize-winning author of Golden Age "A severe yet beautiful novel... Indian Horse finds the granite solidity of Wagamese's prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward."--Donna Bailey Nurse, National Post (Toronto)

Experience the riveting, dystopian Uglies series seen as never before--through the eyes of Shay, Tally Youngblood's closest and bravest friend, who refuses to take anything about society at face value. "From the moment we are born, we are considered threats in need of 'special' management. We are watched and shaped and exploited by a force most of us never see. . . . All to keep us safe. . . . Do you feel safe?! Or do you feel like you're in a cage?"--Shay In Pretties, Tally Youngblood and her daring best friend, Shay, both underwent the operation that turned them from ordinary Uglies into stunning beauties. Now this thrilling new graphic novel reveals Shay's perspective on living in New Pretty Town . . . and the way she sees it, there's more to this so-called paradise than meets the eye. With the endless parties and custom-made clothes, life as a Pretty should be perfect. Yet Shay doesn't feel quite right. She has little to no memory of her past; it's as if something in her brain has inexplicably changed. When she reunites with Tally and the Crims--her rebellious group of friends from Uglyville--she begins to recall their last departure to the wild, and the headstrong leader she used to be. And as she remembers the truth about what doomed their escape, Shay decides to fight back--against the status quo, against the mysterious Special Circumstances, even against her own best friend.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men--bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son--and readers--the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

The entrepreneur, angel investor, and bestselling author of Choose Yourself busts the 10,000-hour rule of achieving mastery, offering a new mindset and dozens of techniques that will inspire any professional--no matter their age or managerial level--to pursue their passions and quickly acquire the skills they need to succeed and achieve their dreams. We live in a hierarchical world where experience has traditionally been the key to promotion. But that period is over! Straight, clear-cut career trajectories no longer exist. Industries disappear, job descriptions change, and people's interests and passions evolve. The key to riding this wave, entrepreneur James Altucher advises, is to constantly be curious about what's next, to be comfortable with uncertainty so you can keep navigating the rough waters ahead, and most important, to pursue the things that interest you. In Skip the Line, he reveals how he went from struggling and depressed to making his personal, financial, and creative dreams come true, despite--and perhaps due to--his many failures along the way. Altucher combines his personal story with concrete--and unorthodox--insights that work. But Skip the Line isn't about hacks and shortcuts--it's about transforming the way you think, work, and live, letting your interests guide your learning, time, and resources. It's about allowing yourself to do what comes naturally; the more you do what you love, the better you do it. While showing you how to approach change and crisis, Altucher gives you tools to help easily execute ideas, become an expert negotiator, attract the attention of those around you, scale promising ideas, and improve leadership--all of which will catapult you higher than you ever thought possible and at a speed that everyone will tell you is impossible.

A black family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the 1959 play about an embattled Chicago family.

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller--nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism--her groundbreaking philosophy--offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her fear, confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances. Written with her husband, Jeanne delivers a powerful first-person account that reveals her search for the meaning of Manzanar. Farewell to Manzanar has become a staple of curriculum in schools and on campuses across the country. Last year the San Francisco Chronicle named it one of the twentieth century's 100 best nonfiction books from west of the Rockies. First published in 1973, this new edition of the classic memoir of a devastating Japanese American experience includes an inspiring afterword by the authors.
