Inspired by Psalms 5:3, When I Rise I Worship is a prayer and worship devotional and journal. It is designed to assist those who have struggled to develop and maintain a daily devotional life. Whether this struggle is due to lack of time, limited time, mismanagement of time, or just not knowing how to get started, this devotional is just the tool you need. Its format is user-friendly and time-conscious while still providing daily relatable exhortations and applicable nuggets from the Word of God. It eliminates the need for multiple books by providing journal pages to jot down your notes and prayers. To keep you connected as you wind down for the weekend there are 4 short and targeted times of scriptural study and reflection called "Weekend Worship and Study".

This beautiful gratitude journal was especially designed for the Fall (Autumn) and Winter season when we spend more time in the warmth of home enjoying our pumpkin spice lattes. ... With Thanksgiving and Christmas approaching, we also reflect on the year gone by and pledge our resolutions for the New Year. This is the best time to count our blessings and express our thankfulness and appreciation to others. This handy guided Gratitude Journal with 50 different writing prompts will help you do that. .

With activity in the engineering of offshore structures increasing around the world, this title offers an introduction to many of the core design and assessment skills required of those working in the sector. in accordance with the latest codes and standards.

Bivalve Molluscs is an extremely comprehensive book coveringall major aspects of this important class of invertebrates. As wellas being an important class biologically and ecologically, many ofthe bivalves are fished and cultured commercially (e.g. mussels,oysters, scallops and clams) in a multi-billion dollar worldwideindustry. Elizabeth Gosling who has a huge wealth of research, teachingand hands on experience working with bivalves, has written a landmark book that will stand for many years as the standard workon the subject. Chapters in Bivalve Molluscs covermorphology, ecology, feeding, reproduction, settlement andrecruitment, growth, physiology, fisheries, aquaculture, genetics,diseases and parasites, and public health issues. A fullunderstanding of many of these aspects is vital for all thoseworking in bivalve fisheries and culture. An essential purchase for anyone concerned with this importantclass of animals, copies of Bivalve Molluscs should be onthe shelves of biologists, ecologists, environmental scientists,fisheries scientists and personnel within the aquaculture industry.Copies of the book should be available in all libraries andresearch establishments where these subjects are studied ortought. Elizabeth Gosling is based at the Galway-Mayo Instituteof Technology, Galway, Ireland.

This business book is written for solopreneurs and small companies. Simple, practical, effective and customer-pleasing business tools are arranged in eight operational groups. These 255 tools focus on small, one-percent improvements. The book layout and design facilitate rapid information retrieval and simple tool evaluation and implementation. This is a fast-read professional resource that is brief, clear and easy on the eyes.

The seminal, uncollected essays—lauded as "dazzling" (The New York Times Book Review)—by the late Christopher Hitchens, author of the #1 New York Times bestseller God Is Not Great, showcase the notorious contrarian's genius for rhetoric and his sharp rebukes to tyrants and the ill-informed everywhere. For more than forty years, Christopher Hitchens delivered essays to numerous publications on both sides of the Atlantic that were astonishingly wide-ranging and provocative. His death in December 2011 from esophageal cancer prematurely silenced a voice that was among the most admired of contemporary voices—writers, readers, pundits and critics the world over mourned his loss. At the time of his death, Hitchens left nearly 250,000 words of essays not yet published in book form. "Another great book of essays from a writer who we wish were still alive to produce more copy" (National Review). And Yet... ranges from the literary to the political and is a banquet of entertaining and instructive delights, including essays on Orwell, Lermontov, Chesterton, Fleming, Naipaul, Rushdie, Orhan Pamuk, and Dickens, among others, as well as his laugh-out-loud self-mocking "makeover." The range and quality of Hitchens's essays transcend the particular occasions for which they were originally written, yielding "a bounty of famous scalps, thunder-blasted targets, and a few love letters from the notorious provocateur-in-chief's erudite and scathing assessments of American culture" (Vanity Fair). Often prescient, always pugnacious, formidably learned, Hitchens was a polemicist for the ages. With this posthumous volume, he remains, "America's foremost rhetorical pugilist" (The Village Voice).

Folded card: Identification and description of soils; and, Identification and description of rocks / designed by Environmental Services Group Limited 2007 in accordance with BS EN ISO 14689-1 and BS EN ISO 14688-1 respectively; and designed to be taken into the field during the walk-over survey.

Traces the events of the Constitutional Convention of 1787 in a historical account that covers such topics as the fierce conflicts that influenced the writing of the Constitution, the issues that divided the states, and the contributions of key players.

Pursuing Greatness is the latest in a collection of case studies emanating from the Going for Great programme, run by The London Leadership Strategy.
