Jake is a jeek—part jock, part geek—who finds out he's an unwitting target of genocide against a secret society known as the Druids—a society he didn't even know he belonged to. O'Brien, one of the last druids, is his mentor. Unfortunately, he is a dud when it comes to magic, but at least he is ex-military. As for picking his girlfriend . . . well, that's a split decision. Alexis and Kendra are opposites in almost every way. Now, if he can just survive the nightwalker—an obsidian-skinned creature with a thirst for blood and a banshee's mind-destroying scream, who wears a cloak black enough to make the grim reaper jealous—then he might have a chance. Ultimately, protecting his loved ones, and himself if possible, becomes his priority.

A comprehensive and fascinating study of Polarity Therapy, Esoteric Anatomy, and Somatic Psychology that reveals the vital role of energy in the healing arts. Esoteric Anatomy offers a spiritual approach to massage, bodywork, and somatic psychology, demystifying an ancient transpersonal model for understanding energy in nature and working with consciousness in the healing arts. It offers a comprehensive health care system based on understanding the body as a field of conscious energy—a system that promotes healing, health building, and self-actualization. Author and spiritual healer Bruce Burger begins by introducing Polarity Therapy in a series of energy-balancing sessions that can be used in conjunction with other forms of therapy and bodywork. This holistic approach can alleviate physical, mental, emotional, and spiritual suffering, including clearing trauma from the cellular memory of the brain. Next, he turns his attention to Esoteric Anatomy in a section of essays that explore the role of energy—or life force—in the healing arts, drawing from the wisdom of ancient India. And finally, Burger builds upon his studies of Polarity Therapy and Esoteric Anatomy to present a unique system of Somatic Psychology that can promote further healing. Thorough, insightful, and complete with illustrations, Esoteric Anatomy is a fascinating course in energy medicine that can guide you toward better health, personal growth, and spiritual transformation.

But when she crosses paths with a witch hunter, instead of avoiding him like she knows she should, she succumbs to her desires and ends up in his bed. The local Enforcers believe a witch is behind Jeremiah's sickness, so they call Bastian to town. He's a young witch hunter who normally has a knack for sniffing out witches. But when he runs into the striking Tessa, she scrambles his senses. He's inexplicably drawn to her and abandons his usually cautious nature. As Tessa and Bastian uncover clues about Jeremiah's illness, Tessa has to face the possibility that another witch may have had a hand in the incident. And if Bastian learns she's a witch, he may point his finger at her. Then her head will surely roll.
