Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Avancemos was developed as a result of extensive research with practicing Spanish teachers from throughout the United States. Based on this research, Avancemos integrates culture as a cornerstone for meaningful communication in Spanish; provides practice with a purpose by setting clear learning goals, providing frequent self-checks, and offering leveled practice activities; encourages language learning that lasts by teaching manageable chunks of language, and providing frequent recycling and review within each lesson, as well as at the end of each lesson and unit. - Publisher.
