Raccolta dei numeri di 'La Rivista di Engramma' (www.egramma.it) 123-126 dell'anno 2015. Raccolta della rivista di engramma del Centro studi classicA | luav, laboratorio di ricerche costituito da studiosi di diversa formazione e da giovani ricercatori, coordinato da Monica Centanni. Al centro delle ricerche della rivista è la tradizione classica nella cultura occidentale: persistenze, riprese, nuove interpretazioni di forme, temi e motivi dell ' arte, dell ' architettura e della letteratura antica, nell ' età medievale, rinascimentale, moderna e contemporanea.

Looking at media coverage of three very prominent murder cases, *Murder Made in Italy* explores the cultural issues raised by the murders and how they reflect developments in Italian civil society over the past 20 years. Providing detailed descriptions of each murder, investigation, and court case, Ellen Nerenberg addresses the perception of lawlessness in Italy, the country ' s geography of crime, and the generalized fear for public safety among the Italian population. Nerenberg examines the fictional and nonfictional representations of these crimes through the lenses of moral panic, media spectacle, true crime writing, and the abject body. The worldwide publicity given the recent case of Amanda Knox, the American student tried for murder in a Perugia court, once more drew attention to crime and punishment in Italy and is the subject of the epilogue.

Te Trois, Eddie, Tit e Julie non potrebbero essere piu diversi, e neppure piu amici. In comune hanno un catalogo di vendita per corrispondenza, tre dollari da spendere e una gran voglia di scoprire il mondo. E quando, anziche la rivoltella che hanno ordinato, arriva un vecchio orologio che nemmeno funziona, i quattro non ci pensano due volte e partono verso Chicago, per farselo cambiare. Fra un treno merci e un battello a vapore sul Mississippi, si troveranno alle prese con un cadavere nelle sabbie mobili, imbrogliatori e bari di professione, poliziotti corrotti, cattivi che sembrano buoni e buoni che non lo sono affatto per non parlare di un delitto irrisolto e di molti, molti soldi! Un'avventura con quattro protagonisti che avrebbero potuto essere i migliori amici di Tom Sawyer.
