Includes: Hawaii Five-0 Theme * Let There Be Drums * Sing, Sing, Sing * Tequila * Walk Don't Run * Who Do You Love * Wipe Out * Woo-Hoo.

A complete and fascinating chronicle of Beatles music and history, Beatlesongs details the growth, evolution, and dissolution of the most influential group of our time. Drawing together information from sources that include interviews, insider accounts, magazines, and news wire services, this is a complete profile of every Beatles song ever written -- from recording details such as who played which instruments and sang what harmonies to how each song fared on the charts and how other musicians and critics felt about it. Chronologically arranged by U.K. release date, Beatlesongs nails down dates, places, participants, and other intriguing facts in a truly remarkable portrait of the Liverpool legends. Behind each song is a story -- like Paul's criticism of George's guitar playing during the Rubber Soul sessions, John's acid trip during the Sgt. Pepper's session, and the selection process for the Revolver album cover. And carefully examined along the way are the Beatles' evolving musical talents, their stormy private lives, and their successful -- and unsuccessful -- collaborations. Beatlesongs is truly an inside look at the Fab Four and a treasure for all their fans.

Read PDF Motown Drum Playalong Volume 18

(Book). This invaluable guide and accompanying CD give bass players both the musical background and training needed to get on with their grooving. With lessons guided by a metronome and presented in various musical styles and rhythmic applications, bassists increase their ability to internalize rhythm. The book also breaks down classic styles and grooves from rock, blues, R&B, jazz, Afro-Caribbean, and other traditions. Each example includes a notated version of the drum part and details how to program it into a drum machine.
