Ned Kelly, most famous of the bushrangers, Australian rural outlaws of the 19th century. He was the leader of the Kelly gang, who perpetrated a series of daring robberies in the Victoria-New South Wales borderland (1878 – 80) that captured the imagination of the public.

Ned Kelly | Biography & Facts | Britannica

I have known about Ned Kelly since I was a boy but this book made me realise for the first time that the Ned Kelly story is a monumental tragedy. A very saddening story of misplaced heroism and errors of judgment on both sides leading to unnecessary murders of police and the death of the gang members and Ned Kelly himself. A very very sad epic.

Love him or loathe him, Ned Kelly has been at the heart of Australian culture and identity since he and his gang were tracked down in bushland by the Victorian police and came out fighting, dressed in bulletproof iron armor made from farmers' ploughs. Historians still disagree over virtually every aspect of the eldest Kelly boy's brushes with the law. Did he or did he not shoot Constable Fitzpatrick at their family home? Was he a lawless thug or a noble Robin Hood, a remorseless killer or a crusader against oppression and discrimination? Was he even a political revolutionary, an Australian republican channeling the spirit of Eureka? Peter FitzSimons, bestselling chronicler of many of the great defining moments and people of the Australia's history, is the perfect person to tell this most iconic of all Australian stories, from Kelly's early days in Beveridge, Victoria, in the mid-1800s, to the Felons' Apprehension Act, which made it possible for anyone to shoot the Kelly gang, to Ned's appearance in his now-famous armour, prompting the shocked and bewildered police to exclaim "He is the devil!" ove him or loathe him, Ned Kelly has been at the heart of Australian culture and identity since he and his gang were tracked down in bushland by the Victorian police and came out fighting, dressed in bulletproof iron armour made from farmers' ploughs. SOONTO BE A MAJOR MOTION PICTURE The international bestseller, Booker Prize winner, and winner of the 2001 Commonwealth Writers ' Prize for Best Book. Out of 19th century Australia rides a hero of his people and a man for all nations: Ned Kelly, the son of poor Irish immigrants, viewed by the authorities as a thief (especially of horses) and, as a cold-blooded killer. To the people, though, he was a patriot hounded unfairly by rich English landlords and their stooges. In the end, Kelly and his so-called gang (his younger brother and two friends) led a massive police manhunt on a wild goose chase that lasted twenty months, in which Ned 's talents as a bushman were augmented by bank robberies and the support of nearly everyone not in a uniform. His one demand – for which he would have surrendered himself was his jailed mother 's freedom. Executed by hanging more than a century ago, speaking as if from the grave, Kelly still resonates as the most potent legend in the land down under.

Ned Kelly, the legendary nineteenth-century Australian folk-hero, describes how he, his brother, and two friends led authorities on a twenty-month manhunt, marked by widespread populist support, before his capture and execution.

Author Leo Kennedy is the great-grandson of Sergeant Michael Kennedy. Raised in the shadow of his great-grandfather's murder, Leo witnessed the deep psychological wounds inflicted on successive generations of his family - and the families of other victims - as the Ned Kelly myth grew around them and the sacrifice of their loved ones was forgotten. Leo himself was nicknamed 'Red Ned' at school and taunted for being on the wrong side of Australian history.Now, for the first time, and in brilliant prose that brings these historical episodes to life, BLACK SNAKE challenges the legend of Ned Kelly. Instead of celebrating an heroic man of the people, it gives voice to the victims of a merciless gang of outlaws. This is a captivating true story, gleaned from meticulous research and family history, of two men from similar backgrounds whose legacies were distorted by history.

Kate Kelly, the daring sister of legendary bushranger Ned Kelly, was mysteriously found dead in a lagoon outside the NSW town of Forbes in 1898. At the inquest, Kate's husband Bricky Foster claimed that she was addicted to drink and frequently spoke of suicide. However, a neighbour testified that she had only known Kate to drink since the recent birth of her baby and that she never spoke of suicide. Was it suicide, accident or murder, and why had she changed her name to Ada? While only a teenager, Kate rode as a messenger and decoy for the Kelly Gang, and was present at the gruesome Glenrowan siege. After Ned's execution, she appeared at public gatherings around Australia. Huge crowds came to see her talk and ride, and she helped to popularise the Ned Kelly story as a celebrity in her own right. Then she disappeared from the public eye. Rebecca Wilson is the first to uncover the full story of Kate Kelly's tumultuous life. It will surprise anyone who thought they already knew the story of Australia's most famous outlaw. 'Rarely told in full, this is the fascinating life of one of our greatest stories.' - Paul Terry, author of The True Story of Ned Kelly's Last Stand 'Thoroughly recommended not only to those who have an interest in bushranging and the Kelly dynasty but anyone who enjoys a well-written and riveting yarn, based on fact.' - Rob Willis OAM, National Library of Australia Oral History and Folklore Collectors

At 12 years old he was in trouble with the police. As a teenager he rescued a boy from drowning. He was a bank robber, a thief and a murderer. But those who knew him described him as a 'kind man' and a 'gentleman'. There is one thing most people would now agree on. Ned Kelly is the most famous bushranger in Australia's history. Here is his story.

Ned Kelly was hanged at the Old Melbourne Gaol on 11 November 1880, and his body buried in the graveyard there. Many stories emerged about his skull being separated and used as a paperweight or trophy, and it was finally put on display at the museum of the Old Melbourne Gaol — until it was stolen in 1978. It wasn 't only Ned Kelly 's skull that went missing. After the closure of the Old Melbourne Gaol in 1929, the remains of deceased prisoners were exhumed and reinterred in mass graves at Pentridge Prison. The exact location of these graves was unknown until 2002, when the bones of prisoners were uncovered at the Pentridge site during redevelopment. This triggered a larger excavation that in 2009 uncovered many more coffins, and led to the return of the skull and a long scientific process to try to identify and reunite Ned Kelly 's remains. But how do you go about analysing and accurately identifying a skeleton and skull that are more than 130 years old? Ned Kelly: Under the Microscope details what was involved in the 20-month scientific process of identifying the remains of Ned Kelly, with chapters on anthropology, odontology, DNA studies, metallurgical analysis of the gang's armour, and archaeological digs at Pentridge Prison and Glenrowan. It also includes medical analysis of Ned's wounds and a chapter on handwriting analysis — that all lead to the final challenging conclusions. Illustrated throughout with photographs taken during the forensic investigation, as well as historical images, the book is supplemented with breakout boxes of detailed but little-known facts about Ned Kelly and the gang to make this riveting story a widely appealing read.
