Encompassing all facets of the woodworking craft, this detailed handbook ranges from a history of woodworking, to a discussion of the principles of design, to instruction in tools, materials, and techniques.

We live in an era defined by a sense of separation, even in the midst of networked connectivity. As cultural climates sour and divisive political structures spread, we are left wondering about our ties to each other. Consequently, there is no better time than now to reconsider ideas of unity. In *The Ethics of Oneness*, Jeremy David Engels reads the Bhagavad Gita alongside the works of American thinkers Ralph Waldo Emerson and Walt Whitman. Drawing on this rich combination of traditions, Engels presents the notion that individuals are fundamentally interconnected in their shared divinity. In other words, everything is one. If the lessons of oneness are taken to heart, particularly as they were expressed and celebrated by Whitman, and the ethical challenges of oneness considered seriously, Engels thinks it is possible to counter the pervasive and problematic American ideals of hierarchy, exclusion, violence, and domination.

Fellowship with the Holy Spirit, encounter God in deeply personal ways, and release the power of the Holy Spirit in signs, wonders, and miracles. *Life With the Holy Spirit* will bring you into the joy and power that comes from intimacy with Him through discussing topics such as: How to see the fruit of the Spirit manifest in your life How to move in the gifts of the Holy Spirit The power of praying in the Spirit and the gift of tongues How to hear and see in the Spirit (visions, dreams, and revelation) How to partner with the Holy Spirit for healing and miracles

Great for parents! Fun and colourful workbooks filled with teacher-approved activities that are perfect for independent practice at home or enrichment programs.
