How to Submit an Article to Readers Digest | Pen and the Pad

The Reader's Digest does. Do not make up stuff or talk in general. Write 3500 words (seven pages) and make it as good as you can. Then cut out a thousand words (two pages)! That is what the editors at the magazine do. That allows the fat and the things that do not quite work to be cut out, making the article tighter and stronger. Every word must be there for a reason. Write to be read in ten years.

A practical guide to using the English language more effectively

Essays, selected from the first seventy-five years of Writer's Digest magazine, cover style, genre, dialogue, plot, research, organization, and endings

After life is shattered by loss or a traumatic experience--whether big or small--it can seem impossible to heal or even move on. Deep down you believe God intends good for you, but you just don't have the energy or strength to figure out how to move forward. Author Laurie Pawlik has been there, and here she shares how she flourished despite multiple losses. Through practical tips and thought-provoking questions, she helps you take small yet powerful steps toward healing and letting go. She also offers insights and encouragement from the lives of strong women in the Bible. You'll glimpse the painful losses these women experienced and learn how they flourished despite seasons of hardship and grief. You'll discover how God shows His presence and power in the valleys, deserts, and storms. And you'll feel a fresh sense of hope that, with God, you can redefine yourself, remake your life, and grow forward into a beautiful new season.

"In this new volume, Neville peers with a steady eye into the universal struggle to lead a life of purpose and dignity."--back cover.

Through stories, tips, and spiritual truths this book captures the joy of knitting and inspires readers to share their beautiful creations with those around them.

A helpful, step-by-step manual introduces writers to an effective, thirty-day system for writing a novel, in a resource that includes instruction, weekly schedules, and detailed worksheets, while offering advice on time management, project selection, research strategies, character and plot development, revisions, and more. 15,000 first printing.

Develop a voice that captures readers' attention! All writers bring a unique set of skills to their work: One author might write outstanding characters, while another might dazzle with dialogue. You don't have to master every aspect of the craft in order to succeed, but the one quality required of every writer is a compelling, original voice. Your voice, which is often difficult to define and even more difficult to master, can transform your writing from pedestrian to powerful. In Writing Voice, you'll discover effective instruction and advice from best-selling authors and instructors like Donal Maass, Adair Lara, Paula Munier, Dinty W. Moore, James Scott Bell, and many others, plus exercises, techniques, and examples for making your prose stand out, be it fiction or memoir. You'll learn how to: * Explore the unique way you write * Study the distinctive styles of other writers to create your own voice * Understand the nuances of voice, including the importance of word choice * Develop the right voice for your genre * Craft excellent narration that will keep readers coming back * Choose the proper voice for your nonfiction Constructing the voice that fits your style and your audience is paramount to crafting memorable, original work. Writing Voice gives you the tools to not only create that voice but perfect it.

Covers tone, plot, characterization, dialogue, point of view, pacing, research, revision, agents, manuscript submission, book contracts, and copyediting
