Dan Walsh writes terrific books about people struggling with life and their faith. This story, set during the Christmas season, is about a young man, Rick, who, not very willingly, uses his vacation time from a really great job to go home to help his Mom by running his Mom and stepfather, Art's, small business, a Christian bookstore, after Art becomes critically ill and lands in the hospital.

2nd EDITION(Read Dan's Note at Beginning)For the first time since their children were born, empty nesters Judith and Stan Winters spent Thanksgiving without the kids and grandkids. It's looking like Christmas will be the same. Judith can't bring herself to even start decorating for the holiday; her children always hung the first ornaments on the tree, ornaments they'd made each year when they were kids. Stan had nicknamed them the "ugly ornaments" but Judith adored them. Now she can barely look at them. Can this box of ugly ornaments be the key to saving their family Christmas this year?

When Rick Denton reluctantly returns home at Thanksgiving following his stepfather's stroke, he finds himself spending December working in the family bookstore. His task is lightened only by the company of the young woman working with him.

While settling his grandfather's Charleston estate, Michael Warner, an aspiring author, discovers the unpublished manuscript that his grandfather kept hidden since World War II, a gift that could change Michael's life forever.

Patrick Collins is seven years old, and on his Christmas list are only three items. He wants the army to find his father. He wants to leave his grandfather's house. And, for reasons even he doesn't understand, he wants the soldier that's tucked away in his grandfather's attic. Set at Christmastime in 1943, The Unfinished Gift tells in an engaging, simple style the story of a family, and reminds us of the surprising things that affect powerful change in our hearts--like a young boy's prayers, a shoebox full of love letters, and even an old wooden soldier, long forgotten. This nostalgic story of forgiveness will engage readers everywhere.

2nd Edition - Soon to be a Major Motion Picture - Selah Award Winner There are people in this world we pass right by without giving a second thought. Some have amazing stories to tell, if we only took the time to listen. The Reunion tells the story of Aaron Miller, an old Vietnam vet and handyman in a trailer park. Almost fifty years ago, Aaron saved the lives of three young men in a horrific battle, was even awarded the Medal of Honor. Severely wounded, he came home from the war and wound up losing everything. But God is a master at redeeming the lost things of life. Unbeknownst to Aaron, someone is looking for him. And the one who finds him might just find the love of his life, as well.

Alexis Blake has one chance to land her own show on the Home Project Network and nothing-not an uncooperative client, a job site without indoor plumbing, or a challenging videographer-is going to stand in her way. Elsie, at seventy-plus, is far from the ideal client, but she knows exactly what she wants her fieldstone house to look like, and no designer can tell her otherwise. Gabe Langley, the man with the camera, is caught in the middle and it is his wisdom and warmth that just may be the bridge that will bring these two women together. Can they restore more than just a house and bring about special, almost lost forever Christmas memories?

For John and Laura Foster, what began as a fairytale honeymoon in 1857 aboard the steamship SS Vandervere, quickly turns into a nightmare. A terrible hurricane strikes and the grand ship begins to sink. Just before it goes under, a rescue ship appears on the horizon. But it only has room enough to save the women and children. Laura soon finds herself sailing away toward New York city on a ship filled with orphans and widows, to meet John's family whom she's never met. Desperate for a miracle, Laura braces herself to face life alone.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
