Lovecraft, part Christopher Moore, part Jim Butcher, and totally, unabashedly dark, twisted, and hilarious.

Richard Kadrey’s Sandman Slim—aka James Stark—is, quite simply, one of the most outrageous uber-anti-heroes ever to kick serious butt on this or any other world or dimension. In his previous three adventures—Sandman Slim, Kill the Dead, and Aloha from Hell—Stark has fled Hell for California, taken on angels, demons, outlaw bikers, zombies, covert government operatives, and all manner of monsters, while saving humankind from total annihilation on numerous occasions. But in Devil Said Bang, he finally assumes the role he was destined for: as the new Lucifer, ruler of the Underworld. Combining outrageously edgy humor with a dark and truly twisted vision, Richard Kadrey has once again delivered a masterful amalgam of action novel, urban fantasy, and in-your-face horror that will delight a wide range of readers—from Christopher Moore and Warren Ellis fans to the devoted adherents of Jim Butcher, Charlaine Harris, Kim Harrison, and Simon Green.

“Richard Kadrey is a genius.” —Holly Black “Sandman Slim is my kind of hero.” —Kim Harrison All hail Sandman Slim, author Richard Kadrey’s ultra-extreme anti-hero and recent escapee from Lucifer’s overheated Underworld playground. Legendary author William Gibson (Neuromancer) called Kadrey’s first deliciously twisted Slim adventure “an addictively satisfying, deeply amusing, dirty-ass masterpiece,” and in number three, Aloha from Hell, the ruthless avenger, a.k.a. Stark, finds himself trapped in the middle of a war between Heaven and Hell. With God on vacation, the Devil nosing around in Paradise, and an insane serial killer doing serious damage on Earth, Stark/Slim is ready to unleash some more adrenaline-surging, edgy and violent supernatural mayhem—and even pay another visit to Hell if necessary—which is great news for fans of Jim Butcher, Warren Ellis, Charlaine Harris, Kim Harrison, and Simon R. Green.

New York Times bestselling author Richard Kadrey’s fifth Sandman Slim adventure. James Stark, aka Sandman Slim, has lost the Qomrama Om Ya, an all-powerful weapon from the banished older gods. Older gods who are returning and searching for their lost power. The hunt leads Stark to an abandoned shopping mall infested with tribes of squatters. Somewhere in this kill zone is a dead man with the answers Stark needs. All Stark has to do is find the dead man, recover the artifact, and outwit and outrun the angry old gods—and natural-born killers—on his tail. But not even Sandman Slim is infallible, and any mistakes will cost him dearly.

“Sandman Slim is my kind of hero.” —Kim Harrison “Richard Kadrey is a genius.” —Holly Black Sandman Slim is back from Hell. After wreaking unholy havoc in author Richard Kadrey’s resoundingly acclaimed Sandman Slim, the demon-slaying anti-hero and half-angel fugitive from the underworld returns in a brutally funny, eye-poppingly inventive, and totally addicting follow-up, Kill the Dead. If you’re a fan of Buffy and Jim Butcher, Christopher Moore, Neil Gaiman, and Warren Ellis, or you dig the dark urban fantasy vibe of Charlaine Harris, Kim Harrison, and Simon Green, you’ll cheer Lucifer’s onetime personal assassin as he signs on as his ex-boss’ Hollywood bodyguard...and takes on the zombie apocalypse almost single-handedly.

Sandman Slim returns in this stunning, high-octane ninth thriller in the series, filled with the intense, kick-ass action and inventive fantasy that are the hallmarks of New York Times bestselling author Richard Kadrey. Sandman Slim has been to Heaven and Hell and many places in between, but now he finds himself in an unknown land: the far, far edge of the Tenebrae, the desolate home of the lost dead. Making his way inland with nothing but his unerring instinct for trouble to guide him, he collides with a caravan of the damned on a mysterious crusade, led by the ruthless Magistrate. Alone and with no clue how to get back home, he throws in with this brutal bunch made up of human souls, Hellion deserters, rogue angels—and Father Traven. Slim didn’t land in Tenebrae by chance. His little stunt of trying to open Heaven has set off a tsunami across the universe. Now, the afterlife is falling apart because of the ensuing warfare. And when Heaven finds out Slim is close by, the angels put a fat bounty on his head. It’s one thing to ride with a ferocious criminal pack across the treacherous plains—it’s another to do it when everyone in the land of the dead is itching to keep you there permanently. But Slim’s not too worried. He’s been fighting cosmic forces bent on destroying Heaven, Hell, Earth, and him for years. A pack of vicious bounty hunters, vengeful angels, and dangerous enemies with friendly smilies isn’t going to stop him fixing the chaos he’s caused . . . one way or another.

"I loved where Kadrey started with this series, but I love where he's going even more."-- NYT Bestselling author Cory Doctorow Sandman Slim is back in Los Angeles and kicking more supernatural ass in this inventive, high-octane page-turner—the next to last volume in the popular and acclaimed fantasy adventure series from New York Times bestselling author Richard Kadrey. As the battle between warring angels continues, James Stark is focused on seemingly simpler matters now that he’s resurfaced on earth: an invasion of ghosts. L.A.’s Little Cairo neighborhood has suddenly been overrun by violent spirits, and Thomas Abbott knows if anyone can figure out why they’ve appeared—and how to get rid of them—it’s Stark. Armed with the Room of Thirteen Doors, Stark quickly learns that the answer may reach back to the 1970s and the unsolved murder of small-time actor, Chris Stein. As he begins to dig into the cold case, another area of Stark’s life takes an unexpected turn when he becomes entangled with Janet, a woman he saved during the High Plains Drifter zombie attack. Janet’s brush with the living dead hasn’t quenched her thirst for danger. She’s an adrenaline junkie and a member of The Zero Lodge—a club that promises “there’s zero chance you’ll get out alive.” The Lodge attracts thrill seekers who flock to perilous events such as night walks through the LA Zoo—with its deadliest animals uncaged. Joining the lodge to be with Janet, Stark makes a pair of crucial discoveries that could decide the fate of LA and Heaven itself. To prevent the Little Cairo haunting from consuming the city, Stark must piece together the connections between the Lodge and a missing angel last seen in a Hollywood porn palace. But while he may dispatch the ghosts, Stark knows that without his help, the bloody war in Heaven could rage forever.

Sandman Slim investigates Death’s death in this hip, propulsive urban fantasy through a phantasmagoric LA rife with murder, mayhem, and magic. James Stark has met his share of demons and angels, on earth and beyond. Now, he’s come face to face with the one entity few care to meet: Death. Someone has tried to kill Death—ripping the heart right out of him—or rather the body he’s inhabiting. Death needs Sandman Slim’s help: he believes anyone who can beat Lucifer and the old gods at their own game is the only one who can solve his murder. Stark follows a sordid trail deep into LA’s subterranean world, from vampire-infested nightclubs to talent agencies specializing in mad ghosts, from Weimar Republic mystical societies to sleazy supernatural underground fight and sex clubs. Along the way he meets a mysterious girl—distinguished by a pair of graveyard eyes—as badass as Slim: she happens to be the only person who ever outwitted Death. But escaping her demise has had dire consequences for the rest of the world . . . and a few others. For years, Slim has been fighting cosmic forces bent on destroying Heaven, Hell, and Earth. This time, the battle is right here on the gritty streets of the City of Angels, where a very clever, very ballsy killer lies in wait.

There’s a time limit on his reanimated body, and unless Stark can find the people targeting Wormwood, he will die again—and this time there will be no coming back. Even though he’s armed with the Room of Thirteen Doors, Stark knows he can’t find Wormwood’s enemies alone. To succeed he’s got to enlist the help of new friends—plus a few unexpected old

faces. Stark has been in dangerous situations before—you don't get named Sandman Slim for nothing. But with a mysterious enemy on the loose, a debt to pay, and a clock ticking down, this may truly be the beginning of his end. . . .
