And she's alive, though currently trapped in the twelfth century, during the age of Eleanor of Aquitaine. Hope has seventy-two hours to rescue her mother and get back to their own time. Passing through the Dim, Hope enters a brutal medieval world of political intrigue, danger, and violence. A place where any serious interference could alter the very course of history. And when she meets a boy whose face is impossibly familiar, she must decide between her mission and her heart—both of which could leave Hope trapped in the past forever.

A revealing look at the public and private life of one of Hollywood's sexiest leading men, from his struggle to learn the English language for his first American film role to his relationship with Melanie Griffith. Original.

their truth could not be denied. His days and those of every other dragon in Ethiolan were numbered. Seven months was the best he could hope for, after that he knew there would be no chance of his survival. The last Bluescale was dead and without a Bluescale the entire realm was doomed. On the brink of losing the greatest war of the age, Zane received a summons from the seer of a neighboring kingdom. The message promises the one thing Zane had lost -hope.He and his father the king make haste to answer the call and soon Zane is met with a tenacious young dragon named Paige, who holds the key to saving the entire realm.Paige's fragile existence is soon threatened by the enemy and Zane finds that he has become this intriguing girl's unlikely protector. If he could just find a way to keep her alive for six months they just might be able to save their realm.
