Marshall/Johnston's Marketing Management, 2e has taken great effort to represent marketing management the way it is actually practiced in successful organisations today. Given the dramatic changes in the field of marketing, it is a sure bet that the job of leading marketing manager's contributions to the organisation and its customers, clients, and partners has changed at the same level. Yet, no marketing management book on the market today fully and effectively captures and communicates to students how marketing management is really practiced in the 21st century business world. Clearly, it is time for an updated approach to teaching and learning within the field. Marketing Management 2e is designed to fulfill this need.

Created through a student-tested, faculty-approved review process with over 200 students and faculty, SELL 3 is an engaging and accessible solution to accommodate the diverse lifestyles of today's learners. SELL 3 employs a comprehensive coverage of contemporary professional selling in an interesting and challenging manner. Including relational consultative selling, the text is organized on a more contemporary relationship-selling process that the author team has tested in, and developed for, major selling organizations. Record Label Marketing, Third Edition is the essential resource to help you understand how recorded music is professionally marketed. Fully updated to reflect current trends in the industry, this edition is designed to benefit marketing professionals, music business students, and independent artists alike. As with previous editions, the third edition is accessible for readers new to marketing or to the music business. The book addresses classic marketing concepts while providing examples that are grounded in industry practice. Armed with this book, you'll master the jargon, concepts, and language to understand how music companies brand and market artists in the digital era. Features new to this edition include: Social media strategies including step-by-step tactics used by major and independent labels are presented in a new section contributed by Ariel Hyatt, owner of CYBER PR. An in-depth look at SoundScan and other big data matrices used as tools by all entities in the music business. An exploration of the varieties of branding with particular attention paid to the impact of branding to the artist and the music business in a new chapter contributed by Tammy Donham, former Vice President of the Country Music Association. The robust companion website, focalpress.com/cw/macy, features weblinks, exercises, and suggestions for further reading. Instructor resources include PowerPoint lecture outlines, a test bank, and suggested lesson plans.
