Ike Hebert has a dream, to become a champion motocross racer. But he has many obstacles to overcome. He is being raised by a single Mom, with little resources; he has no money, no motorcycles, no friends, and is failing 9th grade.Then he meets Mr. Gonzales, an outcast junkyard dealer who has some very old dirt bikes. The two team up to build the bikes, and Ike fans the flame of his dream into reality. But all is threatened when Ike discovers Mr. Gonzales' secret from his past and gets caught up in a crime that will kill his dream.Join Ike as he rediscovers motivation to succeed in school, gets his first job, overcomes bullying, solves a crime and moves his dream into reality. You'll get an inside look at the culture of south Louisiana, amateur motocross racing and the importance that mentors play in the lives of teenagers.This is the first book in the Dirt Bike Ike trilogy.

From the bestselling author of Rise of the Rocket Girls, the untold, "richly detailed" story of the women of Walt Disney Studios, who shaped the iconic films that have enthralled generations (Margot Lee Shetterly, New York Times bestselling author of Hidden Figures). From Snow White to Moana, from Pinocchio to Frozen, the animated films of Walt Disney Studios have moved and entertained millions. But few fans know that behind these groundbreaking features was an incredibly influential group of women who fought for respect in an often ruthless male-dominated industry and who have slipped under the radar for decades. In The Queens of Animation, bestselling author Nathalia Holt tells their dramatic stories for the first time, showing how these women infiltrated the boys' club of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable narratives that have become part of the American canon. As the influence of Walt Disney Studios grew -- and while battling sexism, domestic abuse, and workplace intimidation -- these women also fought to transform the way female characters are depicted to young audiences. With gripping storytelling, and based on extensive interviews and exclusive access to archival and personal documents, The Queens of Animation reveals the vital contributions these women made to Disney's Golden Age and their continued impact on animated filmmaking, culminating in the record-shattering Frozen, Disney's first female-directed full-length feature film. A Best Book of 2019: Library Journal, Christian Science Monitor, and Financial Times

A Mind Expanding Anime / Manga Inspired Coloring Book. Create Stories and Color Them. Comic Book Storyboards Any Budding Story Telling Kid, Teen or Adult Will Love

In Walt Disney Animation Studios upcoming film, Frozen, the fearless optimist Anna sets off on an epic journey--teaming up with rugged mountain man Kristoff--to find her sister Elsa, whose icy powers have trapped the kingdom of Arendelle in eternal winter. Encountering Everest-like conditions, Anna and Kristoff battle the elements in a race to save the kingdom. The Art of Frozen features concept art from the making of the film--including character studies and sculpts, color scripts, storyboards, and more--alongside interviews with the film's artists about the making of this comedy-adventure. © Disney

Brilliant anime director Satoshi Kon (Paprika [2006], Paranoia Agent [2004], Tokyo Godfathers [2003], Millennium Actress [2001] and Perfect Blue [1997]) died tragically young in 2010 at the age of 46. Now Dark Horse is privileged to remember him and his works through The Art of Satoshi Kon, a beautiful book of Kon's illustrations for his movies Perfect Blue, Tokyo Godfathers, Millennium Actress, Paprika and his television series Paranoia Agent, plus his unfinished The Dreaming Machine, his manga, commercial art and several little-known and incomplete projects.

Ordinarilly, no one would have imagined that Jack Rankin would vandalize a desk. But this was not an ordinary school year for Jack.... When Jack Rankin learns that he is going to spend the fifth grade in the old high school -- the building where his father works as a janitor -- he dreads the start of school. Jack manages to get through the first month without the kids catching on. Then comes the disastrous day when one of his classmates loses his lunch all over the floor. John the janitor is called in to clean up, and he does the unthinkable -- he turns to Jack with a big smile and says, "Hi, son." Jack performs an act of revenge and gets himself into a sticky situation. His punishment is to assist the janitor after school for three weeks. The work is tedious, not to mention humiliating. But there is one perk, janitors have access to keys, keys to secret places....

An art book that collects twenty years of character designs and comics from one of Japan's most recognized cartoonists.
