More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

I Give You Jesus...The Greatest Gift is a collection of devotionals and poetry to hearten people to "live" their Christian walk. A deeper relationship with God is encouraged through scripture and sensible-realistic illustration. These honest and practical writings can be read individually as they were originally emailed, topically in chapter form, or in its entirety. ---- There are days when we don't have the time for a serious study of God's Word and need to find that special passage of scripture to help when we are in one of our weak moments. When that kind of moment "hits" us, that is when "I Give You Jesus, The Greatest Gift," this carefully written devotional by Daphne Evans, is an inspiration to read. It helps the reader to understand the guidance and loving purpose of God in every aspect of man's relationship to Him. As we read through the various topics that are made clear, let us allow the Holy Spirit to help us become transformed by the renewing of our minds, to truly be all that God wants us to be, and to yield to His Way and His Will. Thank you Daphne for your inspiration and ministry to the Body of Christ! Pastor Ralph T. Lampkins, Mt. Zion U.A.M.E. Church, Newark, Delaware

This manual provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

This book explores the phenomenon of Independence Days. These rituals had complex meanings both in the territories concerned and in Britain as the imperial metropole, where they were extensively reported in the press. The text is concerned with the political management, associated rhetoric and iconography of these seminal celebrations. The focus is therefore very much on political culture in a broad sense, and changing perceptions and presentations over time. Highlights of the book include an overview by David Cannadine relating the topic to ornamentalism, invented tradition and transitions in British culture. Although the book is mainly concerned with the British Empire, Martin Shipway – a leading historian and cultural analyst of French decolonization – contributes an acute summary of how the same "moment" was handled differently in the other great European empires. There are detailed and lively studies by noted specialists of the immediate coming of Independence to India/Pakistan, Malaya, Ghana, Zimbabwe, and Guyana. The book includes a thematic focus on the important role of representatives of the British monarchy in legitimating transfers of sovereignty at their point of climax. This book was published as a special issue of The Round Table.
