Ancient myths and legends are explained from a higher spiritual perspective in this guide to the amazing energetic beings known as unicorns. Whether aspiring to help the world at large or simply improve a small corner of it, enlightenment seekers can use the meditations, rituals, and ceremonies featured in the book to unleash the great abilities of these elusive spirit guides. Supported by the author's personal-connection experiences, unicorns are revealed not as mere fantasy, but rather similar in presence and power to angels.

individual story. Children don't ask to be adopted, nor do they ask to have their entire world turned upside-down. Children don't look through a catalog to choose their "perfect" family. Adoptive Parents do. Has your adoption journey been tough? Will there be a light at the end of it? A rainbow? A Unicorn? Did you drink the adoption Kool-Aid?

A comprehensive yet easy companion on how unicorn spirit guides can help us on our Ascension journey. Discover how to connect with your unicorn guides: raise your vibration, advance on your ascension path, and attract more love, light, healing and happiness. Unicorns are beings of the angelic realms who are returning to Earth to aid us on our path to ascension. They bring messages of hope and remind us to stay positive as we prepare for a golden future. Diana Cooper, world-renowned angel,

ascension and Atlantis expert, has been communicating with unicorns for over a decade, and showing others how to connect with these beings. In this book, she teaches you how to:

- connect with your unicorn and recognize the signs of its presence
- call unicorns into your dreams and learn to interpret their messages
- work with your unicorn to heal your personal, family and ancestral karma
- discover your soul purpose and invoke your unicorn to illuminate it
- create a unicorn crystal grid for blessings and healing

Through the meditations, visualizations and journalling exercises included in each chapter, you will become attuned to the unicorns' light energy and begin to see positive shifts in your life.

Jarrison ARTE's, Flying Unicorns Can Kill You, is nothing like your everyday novel, it's an autobiography poetically, re-imagined.

Picture any average or typical autobiography, now subtract all the fluff-filled jargon that takes forever to materialize. Instead, replace it with individually themed short-storied memoirs that collectively outline all the good parts. Now, multiply that with a poetic cadence-styled form of writing, mixed with a touch of expressive literary art. When combined, this approach promotes an expressive artistic perspective. And you, as the reader, are taken on a rhythmic lyrical journey, as opposed to a long drawn out walk into traditional, uninspiring literature. It's a fresh perspective to creative writing, one that directly interfaces with both reality and the imagination.

the Seashell Archives, hearthwitch Maggie Brown met minstrel Colin Songsmith and a unicorn named Moonshine while saving both her sister and the kingdom. All in a quest's work for a girl who can magically do anything she can convince her power is housework. To reward Maggie, the king makes her a princess, and therefore a good catch for the local noble bachelors. Only problem is, she doesn't want to get married. She wants to be with Moonshine, whose Unicorn Creed, as he understands it, forbids him to consort with anyone except a chaste maiden. It's rather a touchy situation, and so Princess Maggie abandons her crown and with Moonshine, she and Colin set out to see if they can find a loophole in Moonshine's creed. Of course, in the process they have to try to save the land of Argonia again, this time from a were-man, a revolutionary nymph, a town's worth of zombies, an ice worm and an evil wizard.

The BRAND NEW laugh-out-loud Daisy adventure for readers of 6-9, from bestselling author of the Oi Frog series, Kes Gray. Here comes trouble! It's Gabby's birthday and Daisy is the GUEST OF HONOUR at her party!!! What's even more exciting is that Gabby has been given TWO TOY UNICORNS for her birthday. They're so sparkly and soft and fluffy and cuddly!!! Trouble is, these unicorns are also MAGIC - and very chatty. And they're giving Daisy all sorts of troublesome ideas...

It ' s the epic battle of brains against manes. Which side are you on? It ' s a question as old as time itself: which is better, the zombie or the unicorn? This all-original anthology edited by Holly Black (Team Unicorn) and Justine Larbalestier (Team Zombie) makes strong arguments for both sides in the form of spectacular short stories. Half of the

stories portray the strengths—for good and evil—of unicorns, and half show the good (and really, really badass) side of zombies.

Contributors include many bestselling authors, including Cassandra Clare, Libba Bray, Maureen Johnson, Meg Cabot, Scott Westerfeld, and Margo Lanagan. This anthology will have everyone asking: Team Zombie or Team Unicorn?
