My mom is 92, and I know she'd never thought she'd see a woman preaching at Macedonia," a member of the church said.

"Church is boring." "It's irrelevant." "It's full of hypocrites." You've heard the excuses --now learn the real reasons men and boys are fleeing churches of every kind, all over the world. Christianity is the only world religion with a chronic shortage of men. David Murrow identifies the barriers to male participation, and explains why it's so hard to motivate the men who do go to church. Then, he takes you inside several fast-growing congregations that are winning the hearts of men and boys. The first release of Why Men Hate Going to Church sold more than 125,000 copies and was published in multiple languages. This edition is completely revised, reorganized, and rewritten, with more than 70 percent new content. Why Men Hate Going to Church does not call men back to church--it calls the church back to men. "This is one of the most helpful books for understanding why men are indifferent toward church and how churches must change to welcome men." --MARK DRISCOLL, pastor of Mars Hill Church; cofounder of Acts 29 Church Planting; founder of The Resurgence "[This] is a prophetic and relevant 'snap-out-of-it' masterwork that every pastor must read--not just for the sake of the kingdom, but also for his own sake and sanity in ministry." --KENNY LUCK, men's pastor, Saddleback Church "David Murrow knows how to connect with men. Where was this guy when I was twenty?" --FRANK PASTORE, host of America's largest Christian talk show, KKLA (Los Angeles) GROUP DISCUSSION GUIDE AVAILABLE FOR FREE AT WWW.CHURCHFORMEN.COM/GUIDES

Evangelicals stand divided in their view of women in the church. On one side stand complementarians, arguing the full worth of women but assigning them to differing roles. On the other side stand egalitarians, arguing that the full worth of women demands their equal treatment and access to leadership roles. Is there a way to mend the breach and build consensus? Sarah Sumner thinks there is. Avoiding the pitfalls of both radical feminism and reactionary conservatism, she traces a new path through the issues--biblical, theological, psychological and practical--to establish and affirm common ground. Arguing that men and women are both equal and distinct, Sumner encourages us to find ways to honor and benefit from the leadership gifts of both. Men and Women in the Church is a book for all who want a fresh and hope-filled look at a persistent problem.

"Adam! Where Are You?" addresses the question of why the black church is 75% female and offers ways to bring the black men back to God.

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

This book will forever change the way you think about church! The statistics are clear: The American church is in decline. People are leaving in astounding numbers, with no sign of a turnaround. And despite church leaders' best efforts to stem the tide, more than 80 percent of people are finding something better to do on Sunday mornings. Why? Is there hope for the future of the church? In this groundbreaking new book, Thom and Joani Schultz expose the church practices that are driving people away and thwarting spiritual growth. Yet they also reveal what can bring them back--the four keys to reaching the "unchurched" and the "dechurched." The bad news? Your church is probably missing the mark when it comes to the core of Christianity. The good news? There's hope. Lots of it. The truth may surprise you...but it can also transform your ministry into something truly irresistible.

Jake Colsen, an overworked and disillusioned pastor, happens into a stranger who bears an uncanny resemblance (in manner) to the apostle John. A number of encounters with John as well as a family crisis lead Jake to a new understanding of what his life should be like: one filled with faith bolstered by a steady, close relationship with the God of the universe. Facing his own disappointment with Christianity, Jake must forsake the habits that have made his faith rote and rediscover the love that captured his heart when he first believed. Compelling and intensely personal, SO YOU DON'T WANT TO GO TO CHURCH ANYMORE relates a man's rebirth from performance-based Christianity to a loving friendship with Christ that affects all he does, thinks, and says. As John tells Jake, "There is nothing the Father desires for you more than that you fall squarely in the lap of his love and never move from that place for the rest of your life."

Christianity is the only world religion with a chronic shortage of men. David Murrow identifies the barriers to male participation, and explains why it's so hard to motivate the men who do go to church. Then, he takes you inside several fast-growing congregations that are winning the hearts of men and boys. "Church is boring." "It's irrelevant." "It's full of hypocrites." You've heard the excuses --now learn the real reasons men and boys are fleeing churches of every kind, all over the world. Christianity is the only world religion with a chronic shortage of men. David Murrow identifies the barriers to male participation, and explains why it's so hard to motivate the men who do go to church. Then, he takes you inside several fast-growing congregations that are winning the hearts of men and boys. The first release of Why Men Hate Going to Church sold more than 125,000 copies and was published in multiple languages. This edition is completely revised, reorganized, and rewritten, with more than 70 percent new content. Why Men Hate Going to Church does not call men back to church--it calls the church back to men.

The current preoccupation with the role of women in the church obscures the more serious problem of the perennial absence of men. This provocative book argues that Western churches have become women's clubs, that the emasculation of Christianity is dangerous for the church and society, and that a masculine presence can and must be restored.After documenting the highly feminized state of Western Christianity, Dr. Podles identifies the masculine traits that once characterized the Christian life but are now commonly considered incompatible with it. He contends that though masculinity has been marginalized within Christianity, it cannot be expunged from human society. If detached from Christianity, it reappears as a substitute religion, with unwholesome and even horrific consequences. The church, too, is diminished by its emasculation. Dr. Podles concludes by considering how Christianity's virility might be restored.In the otherwise stale and overworked field of gender studies, The Church Impotent is the only book to confront the lopsidedly feminine cast of modern Christianity with a profound analysis of its historical and sociological roots.

Jesus loves people. Wouldn't it make sense that those who claim to love Jesus would love the same people Jesus loves? Nouns need verbs, a requirement that's more than just a grammatical truth; it's a spiritual truth. The noun Christian and the noun church require action verbs to fulfill their purpose. That's why Jesus invites Christians and churches everywhere to perform the greatest action of all: loving people. Jesus Prom is an extravagant party that celebrates the very people Jesus died to love. You will laugh and cry as you move through the pages of this book, and by the end of it, you'll want to join the dance.

Many pastors conceive of the church budget as primarily a financial tool, but in fact it is primarily a pastoral tool. A church's philosophy of ministry is locked into its budget, and so the budget will either stifle or accelerate any attempts to move a congregation toward a biblical model of church health. As such, the church budget is a far more potent pastoral tool than many church leaders realize. Budgeting for a Healthy Church examines each section of the budget in light of Biblical principles to show how a church budget can lock in healthy approaches to ministry. Whereas most books on church budgeting are "how" books, explaining how the budgeting process should work, this is a "what" book, helping church leaders determine the pastoral implications of what they choose to fund in their budgets.
