You Will Die: The Burden of Modern Taboos: Arthur, Robert ...
In You Will Die: The Burden of Modern Taboos Robert Arthur does that and more to demonstrate that taboos are not relics of primitive societies. America has its own ridiculous phobias and beliefs that cause everything from mere tedium to suffering and death. The government and the media use these taboos to lie and mislead.

Argues that taboos are not the remnants of primitive societies, revealing the history and misconceptions behind contemporary beliefs about bodily functions, sex, drugs, and death.

Taboos are a burden on society. By protecting irrational views they hinder progress towards greater happiness.

The best-selling author of The Book of Secrets explores the mysteries of life after death, interweaving scientific research and the wisdom of ancient Vedanta sages to describe what happens to us when we die and to build a case for an afterlife. 200,000 first printing.

A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called döstädning, dō meaning [death] and städning meaning [cleaning. This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In The Gentle Art of Swedish Death Cleaning, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

This majestic, moving novel is an instant classic, a book that will be read, discussed and taught beyond the rest of our lives. Chicago Tribune Winner of the National Book Critics Circle Award, A Lesson Before Dying is a deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. From the critically acclaimed author of A Gathering of Old Men and The Autobiography of Miss Jane Pittman.

A narrative report by a woman who grew up near the Rocky Flats nuclear weapon facility describes the dark secrets that dominated her childhood, the strange cancers that afflicted her neighbors, her brief employment at Rocky Flats and the efforts of residents to achieve legal justice. 30,000 first printing.

[Powerful ... , a revelation.] [The New York Times]With a literary authority rare in a debut novel, it places Native American voices front and center before readers' eyes. NPR/Fresh Air One of The New York Times 10 Best Books of the Year and winner of the PEN/Hemingway Award. Tommy Orange's wondrous and shattering bestselling novel follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jacqui Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American, grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, There There is at once poignant and unflinching, utterly contemporary and truly unforgettable. One of the Best Books of the Year: The Washington Post, NPR, Time, O, The Oprah Magazine, The Dallas Morning News, GQ, Entertainment Weekly, BuzzFeed, San Francisco Chronicle, The Boston Globe

Written in the style of a memoir, My Ántonia chronicles Jim Burden's friendship with the daughter of a Czech immigrant family. Recently orphaned, he moves west to Nebraska to live with his grandparents. Riding the same train is the Shimerda family, who are also on their way to settle in the area. The Shimerdas have a difficult life as pioneers: living in a sod house, working the fields, and running out of food in the winter. Jim soon becomes smitten with Ántonia, the eldest daughter, as they grow up and explore the landscape around them together. Through his eyes, we see both how she shapes the land around her and is shaped by the rigors of poverty. Similarly to Jim, Willa Cather spent her early years in Nebraska but most of her adult life in Eastern cities. She pays homage to her homeland with her Prairie Trilogy of novels: O Pioneers!, The Song of the Lark, and My Ántonia. They are tinged with her characteristic straightforward language, reverence for nature, and nostalgia, even as she acknowledges the hardships of the past. Published in 1918 to great enthusiasm, My Ántonia is considered one of Cather's finest works and a defining point in her identity as a writer. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

This publication is a comprehensive assessment of leading risks to global health. It provides detailed global and regional estimates of premature mortality, disability and loss of health attributable to 24 global risk factors.--Publisher's description.
